Is It Legal to Use Temporary Numbers for SMS Verification?

Frequently Asked Questions (FAQs) · https://mobilesms.io/docs/temporary-numbers-legality/

Yes, MobileSMS.io’s services comply with international regulations. However, it is the user’s responsibility to ensure compliance with the terms of service of each platform they access using a MobileSMS.io number:

1. **Platform Terms of Service**: While MobileSMS.io provides legally compliant numbers, each platform has unique guidelines regarding the use of temporary or third-party phone numbers.
2. **Avoiding Policy Violations**: Users should avoid using MobileSMS.io numbers for activities that may be flagged as fraudulent or against platform policies.
3. **General Use**: SMS verification through MobileSMS.io is commonly used for privacy, account creation, and regional access, which are generally permissible but should be checked on a per-platform basis to ensure compliance
